NARRATIVE

Veh 1 was travelling W/B on SR92 approaching the roundabout at 113th Avenue NE. The rider said that as he entered the roundabout he was cut off by a black vehicle. The rider said that he could provide no further identification of the vehicle that cut him off. There was no contact between vehicles and it appears by the debris field left from the motorcycle that the motorcycle is actually the vehicle that failed to yield. The debris field is on the east side of the roundabout and it appears that the other vehicle was already circling the roundabout. The rider's driving status was DWLS 2 and he did not have a motorcycle endorsement. I believe that the rider was inexperienced and locked up the brakes on the bike, causing him to dump the bike.
